In re Application of :
David Carl DRUMMOND :
Application No. 10/617,267 : **DECISION ON PETITION**
Filed: July 11, 2003 :
Attorney Docket No. DD-08-US :

This is a decision on the renewed petition under the unintentional provisions of 37 CFR 1.137(b), filed June 03, 2008, to revive the above-identified application. The renewed petition was filed within three months of the March 04, 2008 decision on the petition filed 1-16-08. The March 4, 2008 decision set a period for reply of two (2) months from the mail date of the petition dismissal. A one month (1) extension of time under the provisions of 37 CFR 1.136(a) was obtained.

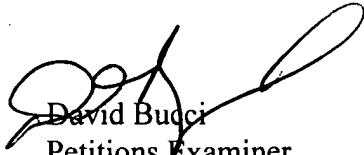

The petition is **GRANTED**.

The above-identified application became abandoned for failure to reply in a timely manner to the Notice to File Missing Parts of Nonprovisional Application (Notice), mailed October 8, 2003. The Notice set a period for reply of two (2) months from the mail date of the Notice. No extensions of time under the provisions of 37 CFR 1.136(a) were obtained. Accordingly, the application became abandoned on December 9, 2003.

The petition satisfies the requirements of 37 CFR 1.137(b) in that petitioner has supplied (1) the reply in the form of a fee payment and surcharge of \$ 1175, (2) the petition fee of \$770, and (3) a proper statement of unintentional delay.

Telephone inquiries concerning this decision should be directed to Karin Reichle at (571) 272-6051.

This application is being referred to Technology Center AU 3751 for appropriate action by the Examiner in the normal course of business on the reply received.

A handwritten signature in black ink, appearing to read 'David Buccia', with a large, stylized loop at the end.
